STORY

TRANSIENT is Vampire Noir

The eternal have won the war on humanity. The remaining humans have fled into the mountains and survive in secrecy. They send undercover transients to gather intel in a harrowing effort to regain control. Jonas is humanity's last hope.

TRANSIENT is Science Fiction, Horror, Mystery

Transient is a gritty retelling of the vampire legend through a sci-fi lens. Genres merge to create a post-apocalyptic tale that explores human nature, philosophical extremes, and how they will shape the future.
